ASN 2016 – Make Your Plans Today

Denver, Colorado March 19–23, 2016

On-line Abstract Submissions: Sept. 15 – Nov. 30, 2015

Dear Exhibitors & Supporters,

On behalf of ASN, we cordially invite all interested companies, clinical and research organizations to participate in this scientific meeting with a display of your brand, products, services and technical demonstrations. Approximately 400+ delegates from North America and around the World are expected to attend the 47th Annual Meeting of the American Society for Neurochemistry to be held in Denver, CO, March 19-23, 2016.

Participants include bench and clinical scientists as well as graduate students and post-doctoral fellows, actively involved in research. More than 75% of participants are decision-makers in the selection and purchase of equipment and supplies for research and clinical practice. Also attending are research scientists working with human and animal models.

The ASN 2016 will give you the opportunity to meet scientists from the Neurochemistry sector and to associate your company/organization name with this Annual Meeting. Tailored packages can be arranged to suit your objectives. Please feel free to contact us to discuss your needs.

Sincerely,

Babette Fuss, PhD
